NOTICE

**This document contains important information
concerning the Virginia Contractor’s Licensing Law.
Please read carefully before signing.**

***To be complete when owner is applying for permit:**

I, _____ of _____ (address) affirm that I am the owner of a certain tract or parcel of land located at _____ in the city of Waynesboro, Virginia; that I have applied for a building permit to erect a structure on said land or repair or improve an existing structure on said land. I affirm that I am aware of the provisions of Title 54, Chapter 11, in the Code of Virginia that requires a contractor to be properly licensed before he may bid or undertake a job of \$1,000 or more. I further certify that I am familiar with the responsibilities of an awarding authority specified in Section 54.1 Chapter 11 of the code which prohibits any awarding authority from considering bids or awarding contracts to any contractor not properly licensed under the provisions of the code and that to do so would constitute the commission of a misdemeanor. I affirm that I understand that a contractor must be licensed as a Class C contractor for any job of \$1,000 but less than \$7,500; a Class B contractor for any job of \$7,500 but less than \$120,000; and that a contractor must be licensed as a Class A contractor for any job of \$120,000 or more.

Signature of owner	Date
--------------------	------

K.) SITE PLAN INFORMATION: (Two copies of the site plan are required)

Please use the following checklist to provide a detailed site plan of the entire property. Plans shall be of adequate size and scale allowing for satisfactory review. Permits may be issued only when sufficient information is given to show that the proposed work will comply with all building and zoning laws.

- All property lines and adjacent streets and alleys
- All right-of-ways and easements
- All setback lines
- All existing structures
- All proposed structures to include building footprints, decks, porches, patios, stoops, bay windows, window wells, chimneys, mechanical equipment, stairs, sidewalks, retaining walls, fences and ornamental features.
- Driveways and all parking areas.
- All structure sizes and measurements. Please show distance from structures to property lines and distances between all structures.
- An illustration of lot coverage showing percentage of all impervious area.

L.) BUILDING PLANS: (Two sets of buildings plans are required.)

Please use the following checklist to provide detailed building plans of the entire project. Plans shall be of adequate size and scale allowing for satisfactory review. Permits may be issued only when sufficient information is given to show that the proposed work will comply with all building and zoning laws. All work performed will be subject to field inspections.

- Complete scope of work. If work is to be completed in phases, please clearly indicate phases and time frame for completion.
- Complete floor plan with room labels and dimensions. For interior alterations and additions, please show existing and proposed floor plans.
- Detailed wall section.
- Front and side elevation views.
- Foundation plan – please include an overview plan of foundation or footings.
- Separate electrical, mechanical and plumbing plans may be required.
