On Becoming a Friend of the Waynesboro Library...

Our organization was formed in 1966. Since then, the Friends have played a key role in supporting the goals of the library. We help fill the gap where state and local funding leave off.

In 2006 the Friends provided funds for staff in-service training, the WPL summer reading program, adult and children's programming as well as equipment, genealogy references and special books for the library. During 2006, the Friends-sponsored Heritage Quest program continued, allowing patrons to access its powerful research capability from their home computers.

In order to continue this valuable service to the library and therefore to the community, we need your help! Please consider becoming a Friend of the Waynesboro Public Library, renewing your commitment if you already are a member, making an additional contribution if you are a Life Member, or just volunteering your services.

If you want to help, fill out and bring the attached form to the library, or mail it with your check, to Friends of the Waynesboro Library, 600 S. Wayne Avenue,
