

Waynesboro City Council Agenda Briefing

Meeting Date:	September 12	Staff/Council Member(s): City Manager Community Development
Agenda Item #	12	
Resolution#		
Department:	City Manager	
Subject:	Blanket Project Funding and Authorizing Signature	

Background: City Council is asked to adopt a resolution providing blanket project funding and signature authority (city manager) for future VDOT projects. The blanket funding agreement and signature authority eliminates the need for elected bodies to consider and adopt resolutions on an individual project basis. In 2016, at VDOT's request, the City Council adopted the initial resolution granting blanket project funding and signature authority and the City has operated under that model since then. VDOT is requesting that the City simply confirm the authority with a current resolution.

City Manager's Recommendation: Adopt the resolution.

Suggested Motion(s): Move adoption of the resolution granting blanket project funding and signature authority for VDOT projects.
