

Waynesboro City Council Agenda Briefing

Meeting Date:	September 25, 2023	Staff/Council Member(s): Michael G. Hamp II, City Manager
Agenda Item #	7	
Resolution#		
Department:	City Manager’s Office	
Subject:	Presentation of Award to Waynesboro Non-Profit Organization	

Background: The Staunton Masonic Lodge No. 13 recently awarded the Community Builders Award to Ms. Kristan Crummett Dollar, co-founder of Waynesboro non-profit organization Magnolia Rose. Magnolia Rose is dedicated to providing hope and healing for people, especially girls and young women who have experienced (or are at risk of) sexual exploitation and trafficking in the Shenandoah Valley. They provide opportunities for emotional, economic, and personal empowerment to survivors so they can break free of exploitation and abuse.

The Community Builders Award serves to recognize individuals and/or community-based organizations for their service efforts within their local area. It is an award of the Lodge and illustrates the power that positive recognition can have in promoting the local community. It recognizes exemplary and praiseworthy initiatives that create community inclusivity through opportunities for people in need to build social capital and live full, meaningful lives.

Council is asked to invite representatives from the Staunton Masonic Lodge No. 13 to present their Community Builders Award to Ms. Kristan Crummett-Dollar.
