Meeting Minutes

Members Present:

Curt Lilly  
Scott Mares  
Elizabeth Bouldin-Clopton

Staff present:

Lisa Jeffers, registrar

The board reorganized after the re-appointment of Elizabeth Bouldin-Clopton to the board. Elizabeth made a motion to nominate Curt as Chair, Scott as Vice Chair and Elizabeth as Secretary. Scott seconded the motion. After no further discussion, the vote was called and the motion passed.

Voting equipment was discussed. For the ES&S equipment, the rough quote was \$120,000. Curt and Scott will have an opportunity to see the equipment in person at the March conference for Virginia Electoral Board Association members.

Lisa discussed the budget request for the Electoral Board budget. Items included are a full-time assistant registrar, a business cell phone for Lisa, and a salary supplement for the officers of election.

Lisa assisted Augusta County in their recent election. Election issues were discussed, including 143 provisional votes, assumed to be due to redistricting.

Electoral Board members can attend the city's budget meeting.

Scott mentioned that he will be attending the VEBA conference, but due to insufficient block rooms available will have to pay the higher rate.

The following meeting to be held 1/30/23. The meeting was adjourned at 8:32.

Respectfully submitted,

Elizabeth Bouldin-Clopton, Secretary
