

May 19, 2020 Election Day Meeting of the Electoral Board

On May 19, 2020, The Waynesboro Electoral Board Conducted a meeting in the Gym of the Kate Collins Middle School.

Elizabeth Bouldin-Clopton called the meeting to order at 12:05 PM. Due to Electoral Board Members attending concerns, required questions to answer the meeting was postponed until 12:45PM.

In attendance Elizabeth Bouldin-Clopton, Chair; Frank Lucente, Vice Chair; Robert Horowitz, Secretary and, on speaker phone, Lisa Jeffers, Director of Elections.

The Board discussed issues that had occurred. Clarification of explaining At Large voting, an issue with a registered but underaged voter (could vote in June Primary, but not May Election), Curb Side voting adjustment to eliminate any perceived improprieties by campaigners, and an observer issue.

All agreed despite the enormous challenges that were faced, the election was being run fairly, integrally, and as safely as we could as of noon. All the Board members were impressed with the new and visiting Officers of election and Chiefs and Assistant Chiefs performance, patience, and courteous conduct. Likewise, the Board was impressed with the volunteers who assisted with the above average Curb Side Voting turnout, the provision of guiding voters to the correct precinct for them to vote, and the continuous sanitizing of the Wards. All Election Officials and volunteers adhered to hand washing, glove and face mask changes that were required by EO-61.

Ms. Jeffers let the Board know that she too was pleased with the Chief and Assistant Chief communications with her.

We hope this continues.

By noon there were over 372 in place voters and the CAP was successfully processing the over 1,800 absentee ballots that had arrived at the Registrar's office, so far.

Frank Lucente moved to adjourn the meeting. Mr. Horowitz seconded the motion. All approved. The meeting was adjourned at 1:20 PM
