There will be maintenance and repair at the wastewater treatment plant and staff's intention to pursue funding to accomplish the work.

Staff expects to make a presentation at the June 26 council meeting regarding the status of the City Code regarding Animals, making it conform to state code.

CITIZEN COMMENT PERIOD

Frank Rott, Waynesboro: questioned what the utility service charges showing on utility bills are for and would like a call explaining them. He is opposed to the plan for a center median on West Main Street and asked that a hard look be taken at the plan.

Sheryl Helsel, Waynesboro: concerned about the animal ordinance as all three localities are outside their legalities, and she provided information to Council prior to the meeting, noting Waynesboro should not be making ordinances relating to a facility in Augusta County.
