June 18, 2019

**Attendees:** Judy Walden (president), Kelly Sheely, Tom Carlsson (secretary), Duane Hill, David Geiger **Absent:** Judy Price Smith **Guests:** none

1. President Judy Walden called the meeting to order at 6:30 pm, after a quorum of attendees was reached. Judy provided an Agenda which is attached and made part of these minutes.
2. Tom provided an overview of the May 2019 minutes. The minutes were approved as presented.
3. Miscellaneous Updates: Judy noted that the framed Samuel Estill Portrait was in Library Archives Room. It appeared our 2019 Budget items had been approved by the City Council, we could discuss these items more after we confirmed the approval. Some of the funding was requested for a reception event before the Founders Day Lecture. David advised that Dale Brumfield had written an article on History of Schools in Waynesboro.
4. Founders Day Lecture: the last Tuesday of September was the time reserved at the Wayne Theater for our Founders Day lecture. Duane had continued to develop content and a draft narrative of Waynesboro's Founding. It would include topics such as: Governor Spotswood, the Beverley Patent, Teas Tavern, Estill Portrait, etc. Duane would email us an updated first draft. Judy had not yet asked Bill Alexander if he would present the lecture, since he was out of town.
5. Jerry Layman Memorial: We agreed to dedicate the upcoming Founders Day Program to Jerry Layman. Over the many years of his life, Jerry had provided a great amount of inspiration and knowledge to our local historians.

Judy adjourned the meeting at 7:30 pm.

Respectfully submitted, Tom Carlsson
