

WAYNESBORO HISTORICAL COMMISSION (WHC)

Meeting Minutes (Basement Meeting Room)

July 23, 2019

Attendees: Judy Walden (president), Kelly Sheely, Tom Carlsson (secretary), Duane Hill, David Geiger, Chanda McGuffin. **Absent:** Judy Price Smith **Guests:** none

1. President Judy Walden called the meeting to order at 6:30 pm, after a quorum of attendees was reached. Judy provided an Agenda which is attached and made part of these minutes.
2. Tom advised the June 2019 minutes were not yet ready for review; he would bring them to our next meeting.
3. New Member Welcome: Judy and the group welcomed Chanda McGuffin as a new member to the WAYNESBORO HISTORICAL COMMISSION. We all introduced ourselves to her and gave details on our backgrounds as local historians. Chanda told us that she wanted to actively participate in more city organizations like this one, in part to encourage others to get more involved in the community.
4. Founders Day Lecture: Tom had developed the first draft of a Power Point Presentation to accompany Duane's written narrative. Kelley and Duane had sent Tom various images on Gov. Spotswood and General Wayne, old house pictures, citizen petitions, etc. Tom had obtained a projector from Rebecca Lamb at the Library; he presented about 40 slides organized so far for the presentation. Various editing comments were offered including Chanda's suggestion to add a color background to the slide show.
5. Bill Alexander Confirmation: The last Tuesday of September was the time reserved at the Wayne Theater for our Founders Day lecture. We would need to confirm that Bill Alexander would serve as our guest speaker on that date. David Geiger would be our understudy if needed.

Judy adjourned the meeting at 7:30 pm.

Respectfully submitted, Tom Carlsson
