Per City Code 14-44; dog licenses are required to be purchased each year by January 31<sup>st</sup>. Dog licenses are **\$7.50 per license**. If the rabies vaccination is due to expire in 30 days OR LESS, we are UNABLE to sell a dog license tag until a current rabies vaccination is provided. **If a dog license is purchased AFTER January 31<sup>st</sup>, there will be a late penalty of \$10.00 per tag assessed.**

Licenses are required for all dogs 4 months of age that have had their rabies vaccination. **You have 30 days from the first vaccination date to purchase a dog tag with no late penalty.**

If you wish to purchase your dog license by mail, **you are required to send a self-addressed stamped envelope for the return mail.** Any copies of paperwork that is mailed in to purchase a dog license will be returned with your license.
